Dear <Customer Name>,

We've upgraded our network! With our new Fidium Fiber internet, you'll experience faster speeds, better reliability, more bandwidth and a host of benefits you aren't currently getting. We are **decommissioning the old network on February 2, 2025**, so schedule your FREE Fidium installation appointment before you lose your connection!

It's time to upgrade your internet service!

Experience faster speeds: More than XXx faster than DSL, which means no more buffering

Enjoy more bandwidth: You can connect multiple devices, all day long, all at the same time

Appreciate better value: With Fidium, you get our best prices, no bundling necessary

DSL technology is becoming outdated. To be sure you get the best internet experience available, we upgraded our network infrastructure in your area. And we're really excited to offer you a faster, more reliable fiber connection with Fidium.

We're closing out DSL service on February 2, so schedule your FREE Fidium Fiber internet installation today!
